

Committee regulation law of September 2017

A law to relegate law creation power
to committees.

Article 1 Regulations:

Section 1 Definition:

§. A regulation is a restriction put on a citizen or resident of Yadra.

Section 2 Appliance:

§. A regulation can be put in place by a commitee.

§§. This regulation has to conform with the purpose of the commitee that created the regulation.

§§§. A regulation cannot go against a law in the kingdom of Yadra.

Article 2 Enforcement & Lawmaking:

Section 1 Enforcement:

§. A regulation must be treated as a regular law.

§§. If one is punished for a regulation if that regulation is lifted ones punishment is also to be undone.

§§§. An exception is created if punishment involved a fine or compensation.

Section 2 Lawmaking:

§. Once a regulation has been created the regulation must also be proposed to the national committee to become a law.

§§. The national committee can then choose whether the regulation should become a law, stay a regulation so it can easily be removed, or ban the regulation.
